Experience

Animation Supervisor | DreamWorks TV

Sept 2021- Nov 2024

- Projects included: *Jurassic World: Chaos Theory* and *Abominable and the Invisible City*
- Supervised in-house and remote vendor animation teams by providing kick-off videos, written notes, and draw-overs
- Ensured episode producibility by participating in complexity and doability meetings, collaborating with show departments, and providing feedback at various production stages
- Created expression and pose libraries to maintain consistency in character look and acting

Animation Supervisor | Pixar Co-Op Project "Amped"

Aug 2020- Aug 2021

- Established animation style of independent short film and mentored animators in order to execute desired look
- Conducted frequent meetings with director to define animation expectations and address production needs
- Supervised remote character and FX animation teams by leading video call animation reviews, providing draw-overs, and delivering written feedback

Animation Artist | DreamWorks TV

Oct 2018- Sep 2021

- Projects included: *Fast and Furious: Spy Racers*
- Reviewed animation from remote vendors and provided written notes, video references, and draw-overs for animators
- Collaborated with in-house animation team to create and provide reference materials to help direct staging and camera set-up for remote animation vendors

Animator/Illustrator | GitHub

July 2016- Sept 2018

- Created illustrations for GitHub social media, branding, and merchandise
- Assisted in writing, storyboarding, character designing, and animation for GitHub animated short films

Freelance Illustrator | FuseFX

April 2016- May 2016

- Clients included: Paramount/Anonymous Content
- Created animation and artwork for unreleased television pilot
- Collaborated with in-house animation director as well as other departments to troubleshoot and achieve desired look by the director
